

2019 Oregon WinterFest Restaurant Application

The 19th Annual Oregon WinterFest presented kicks off on February 15, 2019 in Bend, Oregon. Bend's own Winter Carnival will take place February 15–17 in The Old Mill District.

The Marketplace will showcase the Northwest's finest handcrafted food, wine and fine arts. Modeled after a European market with local artists and specialty food & wine, the Marketplace is the premier shopping experience at Festival center for Friday, Saturday and Sunday.

Restaurant space is limited, and we will be hand selecting the best restaurants based on variety, quality and privilege to prior Oregon WinterFest vendors (first right of refusal).

For questions, please contact Karin Roy at Lay It Out Events, 541-323-0964 or by email at Karin@layitoutevents.com.

EVENT DETAILS

(alphabetical order)

ADA: In an effort to make the Oregon WinterFest and all our events accessible for everyone we ask that you pay attention to the following accessibility guidelines from the City of Bend:

- Sales or service counters should be no more than 36 inches from the finished floor or the ground, and the width must be at least 36 inches wide.
- All paths of travel must be free from cords and other obstructions. Cords may be covered with rugs, but rugs must be taped down on all sides.
- Price lists should be hung 36-39 inches from the ground

Beverages: The official beverage sponsor for Oregon WinterFest has not yet been determined. An email will be sent out when this information becomes available. Homemade Beverages i.e. Lemonade, Ice Tea, etc. will be allowed. Restaurants are not allowed to sell alcohol.

Cancellation Policy: Cancellations received before December 15th, 2018 will receive a 50% refund. **No refunds are given after December 15th, 2018.**

Clean up: Restaurants must take every precaution to insure grease does not spill onto the pavement. It washes into the drains and is a city health code violation. We recommend placing a tarp to cover your area and we require placing rubber mats down to catch the grease. If any trash or grease is left behind by a restaurant, the deposit will be used to return the site to pre-event conditions. Grease cleaning can be expensive so we appreciate your help regarding this matter. Please check in with a LIOE representative before you leave so we can inspect your site.

Complimentary Meals: Each restaurant is required to provide 10 complimentary meals. Oregon WinterFest will create and distribute food vouchers valued at \$10 each. These will be used for our volunteers, entertainers, and sponsors.

Deadline: Please turn in your application before December 1, 2018 to reserve your space! However, it is very likely this event will sell out fast. Turn in your application soon to secure your spot. First right of refusal will not stand if the event is full.

Directions and Setup: Oregon WinterFest is located in The Old Mill District. Directions and setup information will be emailed to vendors one week prior to the event.

- \$50 for each additional 15 amp power outlet (over the 15 amps that is included)

Power: We will do everything we can to make sure your power is up and running during event hours. However power is provided by generators, which come with complications. Please be patient and understand that outages may occur as everyone initially turns on their appliances and lights at the beginning of the event. Additional power is available for \$40 per outlet (each outlet not to exceed 15 amps). Be prepared with a 50 ft. extension cord. Please do not bring an extension cord longer than 50 feet. If you use additional power not outlined on your application your deposit will be used as compensation for the additional usage. The outlets provided are standard three prong outlets. You will need to provide your own adapter if you require it. In order for the event to run smoothly and the entire system to be sized accordingly, please present your individual power needs as soon as possible (voltage and

amperage). Staff will be monitoring power usage throughout the event to ensure compliance. Power is only available during open hours. Please note, heat will not be left on overnight. Any products susceptible to freezing should not be left overnight. **Please list all appliances and amps at the end of this application.**

They are intended for festival attendee use. Grey water tanks are also available near the dumpsters. Anyone caught dumping grey water down storm drains will immediately lose their deposit.
